esatto

Get ready to use your new EDW7CS 60cm Freestanding Dishwasher!

The Controls

- 1 On/Off Power Button**
Switches the dishwasher's power on and off.
- 2 Wash Zone Button**
Switch between upper and lower wash zones.
- 3 Delay Start Function**
Delay program start from up to 3, 6 or 9 hours.
- 4 Child Lock Function**
Press both Delay and Wash Zone to activate.
- 5 Program Selector Button**
Press to cycle through program options.
- 6 Extra Drying Function**
Raises final rinse temperature to assist drying.
- 7 Start/Pause Button**
Start or pause the selected washing program.

For a complete guide on operating your dishwasher, refer to the user manual pages 18–20.

Program Cycles

- **Intensive**
For heavily soiled dishes and cookware.
- **Heavy**
Suitable for heavily soiled dishes.
- **ECO**
Standard program suggested for daily use, with reduced energy and water consumption.
- **Glass**
Suitable for lightly soiled, delicate glassware.
- **Super 90'**
90 minute program for lightly soiled dishes.
- **Quick 30'**
30 minute wash suitable for lightly soiled dishes—does not include a drying stage.
- **Pre-wash**
A quick rinse cycle for dishes that you plan to wash later that day.

Note: To assist drying, we recommend partially opening the door after the program has finished.
